

Where are they now?

The following is a sampling of where some of our STEP/UP and Career Opportunities professionals are now:

1. Christopher Carey Southern Adventist University
2. Dena King Southwestern Adventist University
3. Christine Cales La Sierra University
4. Amanda Perry Loma Linda University
5. Michelle Oetman ADRA
6. Jim Pinder Loma Linda University
7. Chris LeBrun Andrews University

What they're saying:

The STEP/UP program is why I am working in development today. I had not thought about a career in philanthropy while in college. It was an intriguing offer to be approached upon graduation to fill a new position, Annual Fund Coordinator, at Andrews University thanks to PSI seed money. I thank God for the encouragement and opportunities provided to me to become a part of something bigger than myself. That feeling has never left thanks to becoming a STEP/UP 16 years ago.
